

about us

Description

About Us

Astrix Pharma is a market leader in the production of high quality pharmaceuticals, with a strong R&D department offering the best solutions.

Our company has offices in Sweden and France and has more than 15 years of experience in producing high-quality and effective European products, including nutritional supplements in various formulations and medical devices, and supplying them to the Middle East and the Arab world. The Gulf in particular.

Our vision

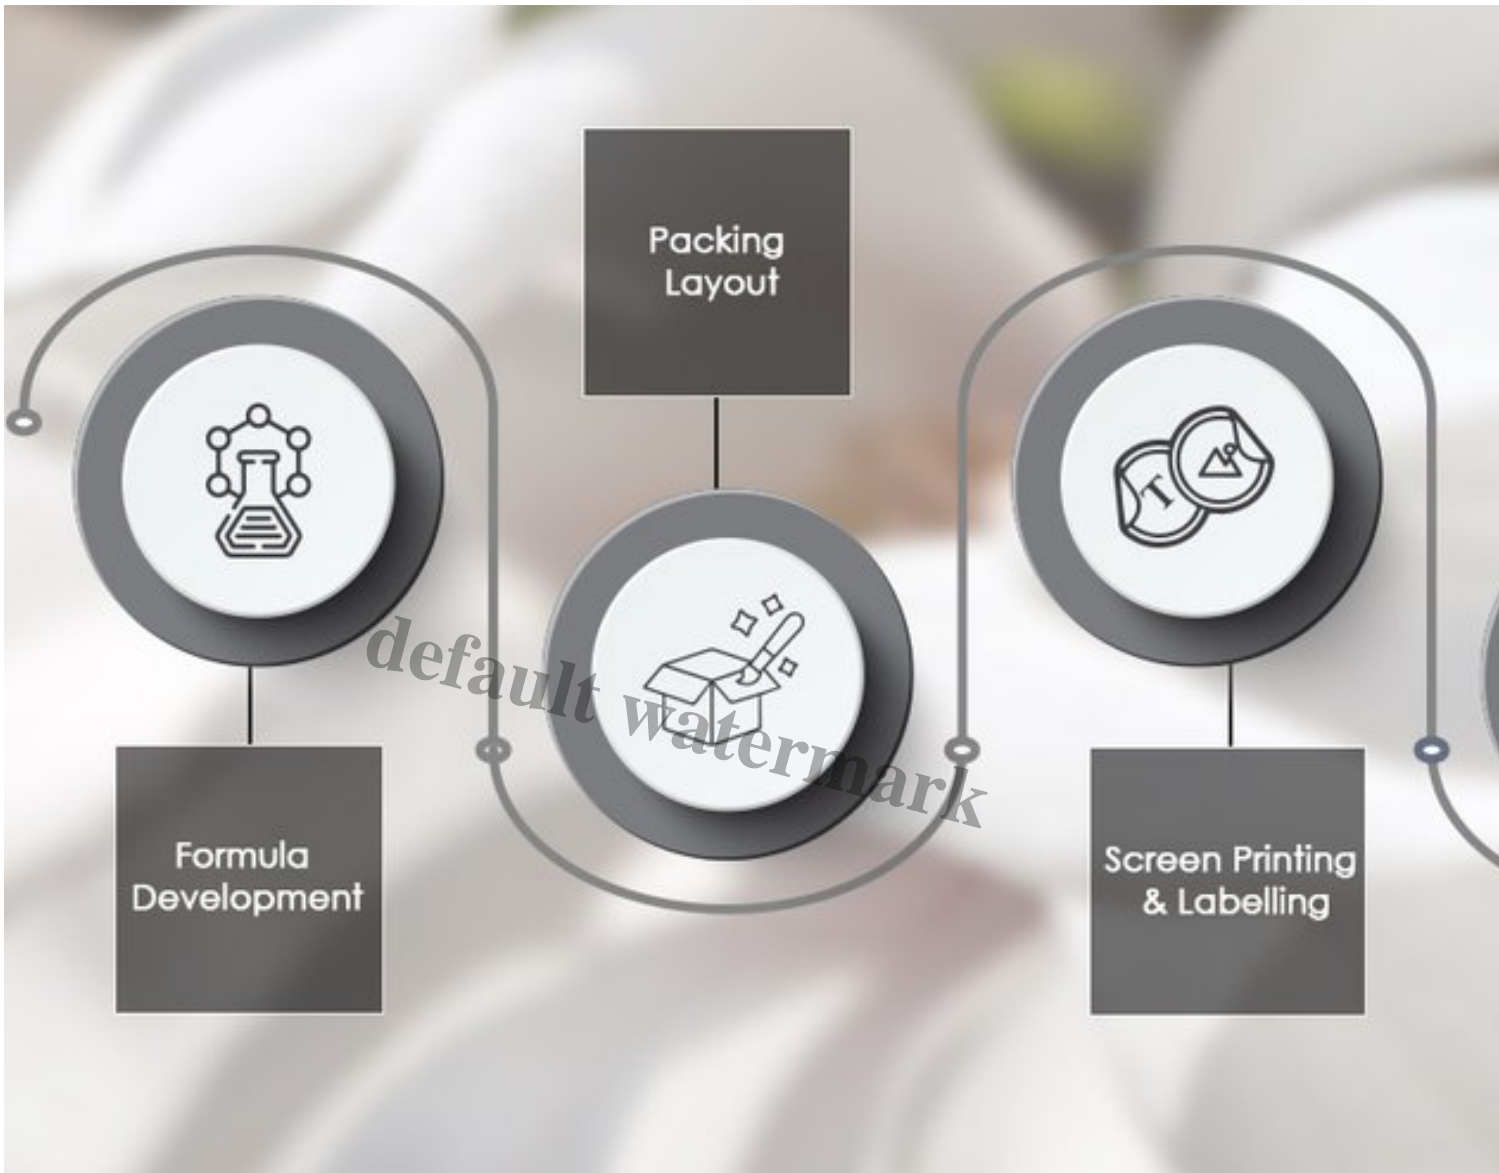

Astrix pharma company strives for the latest innovations, the latest technologies and medical solutions and provide them to its customers and meet the needs of the diverse market to always be the best, whether for European or Saudi products.

Our Mission

In an effort to satisfy the needs of a sizable base of consumers and earn their trust, we deliver items with European origin to the Arab Gulf countries and the Middle East at a price that is competitive. We do this by offering the best components and the highest quality at the lowest price.
